A highly detailed Persian rug, likely a Qashqari or similar style, featuring a central medallion (shamsa) with intricate floral and geometric patterns. The rug is bordered by a wide, ornate band of repeating floral motifs in gold, black, and white. The central field is a light beige color with a subtle, all-over pattern. The rug is displayed on a dark surface, and a small portion of a white fringed edge is visible at the bottom.

The image shows a rectangular rug with a complex design. It features a central field with a large, light-colored, multi-petaled medallion. This medallion is flanked by two smaller, teardrop-shaped motifs. The central field is surrounded by a wide border composed of several concentric bands. The innermost band contains a repeating floral pattern. The next band out is a wider one with a more intricate floral design. The outermost band is a simple, repeating pattern of small, light-colored flowers. The rug is set against a dark background.
